

Mediation and Conflict Resolution

CatholicCare's Mediation and Conflict Resolution services can provide NMAS* accredited mediators or counsellors to facilitate workplace mediations and conflict resolution sessions.

Mediation and conflict resolution services are available from all of our main offices and practitioners can provide services in workplaces, other venues or on-site from our offices.

CatholicCare NMAS accredited mediators have experience in mediation and have qualifications and experience in other fields such as counselling or case management.

*National Mediator Accreditation System
