Signing in/out – Collection of children

Families, or an authorised person over the age of 18 with their own login, are required to deliver and collect their child from the Service using the sign in tablet. You may add additional people to your contact list via the Xplor home app with the person's name and phone number. All new contacts are required to provide identification if they are collecting your child from the service. Educators are not to sign your children in and out.

Medication / Action Plans

If your child requires a Medical Action Plan, this needs to be provided prior to your child's commencement. Your child will not be able to attend care without a current Medical Action Plan. If medication is required to be administered to your child during Vacation Care (including self-medication e.g. asthma puffer), a completed Medication Record (PP16) is required prior to your child's commencement. Only medication with a pharmacist dispensing label outlining the child's name, dosage, name of medication and current date will be administered.

Children are asked to arrive at the service at least 15 minutes prior to the excursion leaving. Departure times are written on the program for individual days. Please be aware that times for excursions vary from day to day. The legal requirement for excursion ratios is 1:15, we endeavour to run all of our excursion at 1:10. Risk assessments are done prior to the children leaving for the excursion. If you would like to see a copy of the risk assessment, please ask one of the educators. Families are required to sign the Excursion permission form on the day of excursions. All bus companies we use are accredited. All drivers hold current WWVC cards.

Weather Conditions

Services may need to change excursions / outdoor activities on the day due to weather conditions (rain or heat). Families will be notified on arrival at the service or by Xplor/ email.

Clothing

Please ensure your child is dressed to suit the weather conditions. This includes enclosed shoes (no thongs) sun safe hat / warm jacket. Please read the program closely to see if there are any other requirements needed (e.g. swim wear / sports shoes).
